

ACCESS TO THE DIPLOMA IN CREATIVE AND DIGITAL MEDIA

ABOUT THE COURSE

Running in partnership with London College of Communication, this course offers a unique step towards studying at university or gaining employment. Aimed at adult learners returning to education.

It covers a full range of modern digital media technologies in both practical and theoretical aspects, including: filmmaking, animation, photography, web design, publishing and graphic design.

ENTRY REQUIREMENTS

You must be aged 19 or over to apply for any of the Access Diplomas. For most courses you need GCSE English and Maths (grade C or above), or the equivalent to enter the course. You must also demonstrate a commitment to and interest in your chosen subject.

There may be additional requirements specific to all Access courses, please check individual course outlines for more information.

APPLICATION PROCESS

We only accept online applications for our Access Diplomas. Create an online account by following the steps from the course page.

Complete the application form. You can save and come back to the form over time.

Once submitted you will receive an automatic email acknowledgement of your application.

If you fulfil the entry requirements you will be contacted for an interview.

If you have any queries about the entry requirements or application process, please contact our student services team

COURSE APPLICATION

YOUR INTERVIEW

Your interview will include:

- A one-to-one discussion about your experience to date, your goals and interests.
- A short assessment and possibly other activities which will help us determine if the course is suitable for you.

Check specific course outlines for any additional material or requirements, for example a portfolio of work.

Please bring any certificates you have completed. You will be asked how you are planning to finance your study
